

## **Skins Workshops**

To empower Aboriginal youth with critical, creative and technical skills within a context of storytelling from their communities.

## **Residencies on The Future Imaginary**

To foster new work by Indigenous artists, scholars and community members.

## **Symposia on The Future Imaginary**

To provide an ongoing forum for discussing the Indigenous Future Imaginary.

## **Aboriginal New Media Arts Archive**

To generate scholarship about and document the work of Aboriginal artists using advanced digital media.

Exploring the cultural, conceptual, creative and technical dimensions of the **Indigenous Future Imaginary** while encouraging Aboriginal people to craft a **future of their choosing.**
